TEA MENU

HOT TEA

ASSAM INDIAN: dark tea from North India with a lot of “body” and a nice and strong aftertaste. It makes a perfect combination with milk.

BLUE EARL GREY: traditional Earl Grey with a hint of violet that makes the tea a little softer.

ROOIBOS: very beloved tea that is almost a “soft drink” from South Africa. Mild and soft aroma and taste. Holds almost no caffeine or tannin.

PINOCCIO: tea with the refreshing taste of lemon and a hint of apples.

RELAX: herbal tea that is excellent for winding down and relaxing.

GUNPOWDER: Moroccan mint tea (served with fresh mint if available).

Hot teas are available per cup and per pot.

ICED TEA

FRUITY: not made of tea leaves, but of dried apple, lemon grass, orange and strawberry.

GREEN: lemon iced tea made with our Pinoccio tea.

Iced teas are available per glass.
